Don't miss Hollywood Legend Carrie Fisher's recounting of a true and intoxicating talk, told with the same wry wit she poured into bestsellers like Postcards from the Edge. Born to celebrity parents, this Tinsel town toddler lands among the stars when she's cast in a little movie called Star Wars. But it isn't all sweetness and light sabers as she battles addiction, depressions, mental institutions, and that awful hyperspace hairdo. Fisher's tale is tabloid vivante the Los Angeles Times calls a "Beverly Hills yard sale of juicy anecdotes." Carrie Fisher's Wishful Drinking is an uproarious look at a Hollywood hangover!
